It has been our pleasure to have Miss Mary Singenidou as our first foreign exchange student. Mary is from Hraclion, Crete. She was brought here through the efforts of the American Field Service Committee. Mary has made many new friends this year and has become as "American" as any of us. We have learned many new things from Mary. The class of '61 will always feel proud to have been the host to our Greek friend

A.F.S.

The American Field Service selected as Mary's home this year the Robert Martin family. They live at R.D. #2 Ford City, and Mary gained a new experience by riding a school bus to school each day. The Martin family will probably feel the loss of Mary more than anyone else.

MR. CHARLEY

Our affable head football coach, Walt Charley, has been at our high school for seven seasons. His cooperative spirit is apparent in all his endeavors, on and off the field. This year, as in the past, the Varsity Chorus, under the direction of Mr. Martin Thompson, has seen a very the vische tie. We were represented at County and District Chorus and entered the Forensic Contest at Clarion. Exchange concerts were given at Butler and Monetaugh.

Perhaps the most important event this year was the Christmas presentation of Handel's Messiah performed together with the Leechburg Chorus. We the graduating class of '61 extend our thanks to you, Mr. Thompson, for the fine work you have done with our Chorus
